

We hope your New Year is off to a great start! We wanted to take this opportunity to thank our members for their support of the **Kentucky Farm Bureau Insurance Agents Association**. If you are not yet a member, we invite you to join the association of Kentucky Farm Bureau managers and agents.

The **KFBIAA** represents the interests of more than 390 Farm Bureau agents in the commonwealth. We are a member-driven, non-profit organization founded in 1974 that promotes and encourages professional development through communications and education among local Kentucky Farm Bureau insurance agents.

As a **KFBIAA** member, you belong to an exclusive network of committed, career-oriented KFB agents. The agents you'll meet can provide valuable professional connections. Members have access to expert advice and information, and opportunities to learn better ways of doing business and advance in your career. Your membership also includes access to a broad selection of group benefits through our partnership with MGC group.

We have included a membership form below. Please fill out this form and return it using the enclosed envelope. You can pay the annual dues by check or via credit card online at kfbiaa.com. If you have already paid online or by a mailed check – thank you – no further action is needed.

Sincerely,
Roger Fannin
